

## Owyhee County Historical Society Board Member Guidelines

- Must be a due-paying member for one year.
- At least one board member must be familiar with the person running, and the prospective board member should be someone who actively participates in museum events.
- References and background may be checked.
- Conflicts of interest, including being related to other board members or museum employees, are discouraged.
- No employee of the museum shall be on the board.
- Preference is given to having board members from a variety of locations throughout the county.
- Applications from prospective board members will be submitted for review and, if desired, interviews conducted by one or more board members and the director of the museum.
- Following interviews and successful background checks, directors shall be elected by the Society at the November meeting.
